DISCLAIMER

This announcement contains information that qualifies, or may have qualified, as inside information within the meaning of Article 7(1) of the EU Market Abuse Regulation.

This announcement and the Company's annual financial statements for the year ended 30 September 2023 referenced in this announcement may include forward-looking statements, which are based on the Company's current expectations and projections regarding a business combination, the business, the economy and other future conditions of the Company and speak only as of the date hereof. These forward-looking statements may be identified by the use of forward-looking terminology, including the terms "believes", "aims", "forecasts", "continues", "estimates", "plans", "projects", "anticipates", "expects", "intends", "may", "will" or "should" or, in each case, their negative or other variations or comparable terminology, or by discussions of strategy, plans, objectives, goals, future events or intentions. Forward-looking statements may and often do differ materially from actual results. Any forward-looking statements reflect the Company's current view with respect to future events and are subject to risks relating to future events and other risks, uncertainties and assumptions relating to the Company's business, results of operations, financial position, liquidity, prospects, growth or strategies. Forward-looking statements speak only as at the date at which they are made and the Company undertakes no obligation to update these forward-looking statements.
